

QUANTUM LEADERSHIP

Certified Chief Quantum Officer

CCQO CREDENTIAL

Demonstrate the judgment to direct a quantum portfolio, fund its priorities and defend the strategy to a board.

ASSESSMENT

Capstone

No written exam

PROGRAM

24 hours

Six live sessions

VALIDITY

3 years

Renewal required

Independently assessed quantum leadership.

WHAT THE CREDENTIAL VALIDATES

- ✓ Evaluate vendor claims and distinguish demonstrated results from roadmaps.
- ✓ Set a portfolio position across computing, networking, sensing and security.
- ✓ Sponsor PQC migration and design governance, funding and readiness plans.
- ✓ Present and defend a quantum strategy and three-year roadmap.

WHO IT IS FOR

CTOs, CIOs, CISOs, strategy and innovation leaders, board members, general managers and senior advisors accountable for quantum decisions.

PREREQUISITES

No prior certification is required. The program expects executive seniority rather than a technical background.

How to earn CCQO

Complete the Chief Quantum Officer Program and pass the independently assessed capstone.

Assessment, fees and renewal

How you earn CCQO

Complete six live sessions of four hours: **24 contact hours**.
No on-demand edition.

Build a quantum strategy and three-year roadmap for a **supplied simulated multinational**. No confidential employer material is requested.

The brief and marking rubric are issued at enrollment.
Submit within **two weeks of the final session**.

Program fees

Live online cohort	US\$8,499
In-person cohort	US\$9,499
Private cohort	Custom quote

Includes the six sessions, capstone assessment and one resubmission. The credential is awarded on a pass. No separate assessment fee.

Independent assessment. Two assessors who did not teach your cohort mark the capstone independently. A third, also independent of the cohort, resolves disagreement. Results are returned within ten business days of submission; an assessor clarification round pauses that clock. One resubmission is included if the work does not pass.

Maintain your CCQO

Valid for three years. US\$149 annual maintenance covers all active Quantum Academy credentials.

Renew with **60 continuing professional education (CPE) credits** per three-year cycle, with at least **15 each year**.

Alternatively, submit a **fresh capstone**, assessed at US\$599.

Credential verification

Digital badge and designation: **CCQO**.

Verification record: ccqo.pro.

Or email the holder's full name to validation@quantumacademy.com.
