Why Quantum Academy

Quantum Academy draws on Quantum Ready by Marin Ivezic and faculty experience presenting migration requirements to executive decision-makers.

What you will study

A focused curriculum for informed professional decisions.

01 Cost Modeling and Risk Quantification

Estimate program costs and examine the factors that drive them. Translate confidentiality and signature exposure into risk scenarios and assess the consequences of delay.

02 Making the Case: Framing, Funding, and Follow-Through

Build the funding argument around risk reduction, applicable requirements, competitive positioning and cryptographic agility. Address uncertainty and vendor dependencies with a phased request.
