Connect confidentiality to firm action.

WHAT YOU WILL BUILD

- ✓ A privilege exposure assessment across firm systems.
- ✓ A migration sequence prioritized by confidentiality horizon.
- ✓ A third-party platform assessment covering key vendors.
- ✓ A draft client communication position.

WHO SHOULD ATTEND

Firm CIOs, security leads, general counsel, risk partners, document and knowledge-management owners, and practice leaders at law, accounting and advisory firms.

PREPARATION

The matching sector overview is recommended preparation, rather than a formal requirement.

Why Quantum Academy

The course applies the Applied Quantum PQC Migration Framework and instructors' experience running migration programs in this sector.

What you will work through

Work from your own environment through four workshop sessions.

01 Morning: exposure across systems

Assess document management, mail archives, deal rooms and shadow systems holding client information.

02 Morning: the firm's migration

Sequence by confidentiality horizon. Consider archives, retention and re-encryption requirements.

03 Afternoon: third-party platforms

Evaluate cryptographic readiness across the platforms and vendors the firm depends on.

04 Afternoon: duty and disclosure

Explore client-advisory responsibilities and communication choices. Assemble the plan and draft position.
