Why Quantum Academy

Quantum Academy draws on Quantum Ready by Marin Ivezic and faculty experience explaining migration decisions to leadership teams.

What you will study

A focused curriculum for informed professional decisions.

01 The Board's Quantum Risk Exposure

Examine future decryption of sensitive data, risk appetite, oversight responsibilities and external expectations. Consider what information a board needs to assess quantum exposure.

02 Governance and Oversight

Evaluate management's discovery, migration and verification plans. Review reporting cadence, milestones, vendor dependencies and the considerations behind quantum-risk disclosures.
